## International Pathways 2006

### International Pathways 2006 (round 3) – Assessment Report

International Pathways is an initiative of the Music Board and the Community Partnerships and Market Development division of the Australia Council. The initiative seeks to assist with strategic international artistic and market development activities for Australian music and musicians.

Applications to the third round of **International Pathways** for 2006 were assessed on Friday 18 August 2006 by a panel comprising Music Board members Graeme Koehne, Chair (SA), Barbara Jane Gilby (ACT) and Andy Arthurs (Qld), with advice from a representative of Community Partnerships and Market Development. On the basis of the panel's recommendations, the Executive Director of Community Partnerships and Market Development made the final funding decision.

There are four rounds for this initiative in 2006. In this third round, the panel approved grants totalling \$80,000.00. As stated in the guidelines, financial support was directed to airfares with a maximum of \$2,500 per person, as well as overseas surface travel, freight, and travel insurance costs, with a maximum possible request of \$20,000 per application.

#### How were proposals assessed?

The assessment panel looked at all the proposals in relation to the following criteria:

- Artistic merit
- Export readiness and the quality of the marketing strategy
- Evidence that the activity is well planned and achievable, and the demonstrated need for the grant.

The proposals were assessed against the selection criteria, in competition with the other proposals, and were given an overall percentage rating. They were then ranked according to their rating, and funding was allocated to the highest ranked proposals.
